PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Title 26 of the Los Angeles County Code, the Building Code, provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99. The Building Code also provides for a Building Rehabilitation Appeals Board, appointed by your Board, for the purpose of hearing appeals on matters concerning public nuisances.

Government Code Section 25845 requires that the property owners be provided an opportunity to appear before the Board and be heard prior to abatement of the

nuisance(s) by the County. However, your Board adopted modified procedures which delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to your Board.

Implementation of Strategic Plan Goals

This action meets the County Strategic Plan Goals of Service Excellence and Children and Families' Well-Being as it provides services to the public that have a wide-reaching positive effect on the entire community. The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions which constitute a public nuisance. It will require the repair and/or demolition of substandard structures and the removal of trash, junk, debris, inoperable vehicles, and overgrown vegetation from private property.

FISCAL IMPACT/FINANCING

There will be no negative fiscal impact or increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Building Rehabilitation Appeals Board has conducted the required hearing for the properties listed below. The Building Rehabilitation Appeals Board considered all competent evidence and testimony offered by all persons pertaining to the matters of substandard properties. The Building Rehabilitation Appeals Board made a finding of facts in the matter and declared the following properties to be a public nuisance.

Your Board may either adopt these findings and orders of the Building Rehabilitation Appeals Board without further notice of hearing or may set the matter for a de novo hearing before your Board.
